Hello and Welcome to Vit's Book Club!

Just a quick intro: I'm Vit. I was born in Almaty, Kazakhstan. I am interested in books and stories that they can tell.

I find reading and creative activities to be a true sanctuary for me, especially when life becomes overwhelming. As someone diagnosed with Autism Spectrum Disorder, my heightened sensory sensitivity often leads to sensory overload. However, engaging in these activities allows me to escape and find respite from the sensory challenges I face.

It's wonderful to hear that fantasy books, particularly the Harry Potter series, provide you with a favorite escape. J.K. Rowling's magical world has captured the hearts of millions of readers around the globe. Being sorted into Hufflepuff on Pottermore means that you possess qualities such as loyalty, dedication, and a strong sense of fairness. Hufflepuffs are known for their inclusive nature and their ability to value and appreciate others. Embracing your Hufflepuff identity can be a source of pride and a way to connect with fellow fans of the series.
